We could stop,
The universe with our heartbeats tonight.
Don't let go,
We're moving up in the speed of light.

I say you
I've been waiting for a long time,
Over you,
I've been waiting for a lifetime

We could stop,
The universe with our heartbeats tonight.
Don't let go,
We're moving up in the speed of light

I say you,
I've been waiting for a long time.
Over you,
I've been waiting for a lifetime.

We could stop,
The universe with our heartbeats tonight,
Don't let go,
We're moving up in the speed of light.

I say you,
I've been waiting for a long time.
Over you,
I've been waiting for a lifetime

Uuhhh uhh uh uh uh
Uuhhh uhh uh uh uh
Over you
Yoooouu
Oh, it's been a long time, yeah
(Uuhhh)
It's been a long time baby,
(Over youuuu)
It's been a long time,
Ooh, baby,
Cause for you,

I've been waiting for a longtime,
(Yooouu)

Over you,
(Yooouu)
Feels like I've waited for a lifetime,
Yeeaaah
