Intro: LL Cool J

Mmmm yeah (mmmmm) check it out baby
Make it hot... then we drop it
(oooooooooh!) Uh, yeah
(oooooooooh!) Uptown, you know how we do it
Yeah you know
Make it hot

Verse One:

[LL Cool J]

It's the first time together and I'm feeling kinda horny
Conventional methods of makin love kinda bore me
I wanna knock your block off, get my rocks off
Blow your socks off make sure your G spots soft

[LeShaun]

I'm gonna call you Big Daddy and scream your name
Matter fact I can't wait for your candy rain

[LL Cool J]

So what cha sayin, I get my swerve on, bring it live
Make it last forever, damn the kitty cat's tight

[LeShaun]

Mmm... daddy slow down your flow
Put it on me like G baby nice and slow
I need a rough neck nigga Mandingo in a sec
Who ain't afraid to pull my hair and spank me from the
back

[LL Cool J]

No doubt, I'm the playa that you're talkin about

[LeShaun]

But do you really think that you can work it out

[LL Cool J]

I guarantee shorty it's real, baby stick it out
Here comes the man of steel

Chorus: LeShaun, LL Cool J

[LeShaun] Doin it and doin it and doin it well (3X)

[LL Cool J] I respresent Queens, she was raised out in
Brooklyn

{repeat 2x}

Verse Two:

[LL Cool J]

I'm in the mix now, searching for the right spot

To hit now, get down

[LeShaun]

Damn my lover dig down, you use a rubber?

[LL Cool J]

Damn right

[LeShaun]

You are my lover

[LL Cool J]

All night

[LeShaun]

The putty good to you? Word to momma

[LL Cool J]

Man tight

The only thing left to do is climax

Let's make it last

[LeShaun]

Word we ain't goin out like that

All this time you've been telling that you was a Don

[LL Cool J]

I tried to warn you girl you wouldn't listen

Now let's get it on

[LeShaun]

Mmm, baby wild, don't do that

Chill wait a minute baby let me please you back

[LL Cool J]

You talk a good one shorty now you're makin me sweat

How a live nigga like it girl?

[LeShaun]

Nice and wet

We get it To The Break of Dawn, damn you're large

How a big girl like it Daddy?

[LL Cool J]

Nice and hard

Safe sexin it, flexin it, gettin that affectionate

Chewin it, oohin it, all while we're doin it

Chorus (repeat 2X)

Verse Three:

[LL Cool J]

Baby, I wanna hit it in the worst way

[LeShaun]

Make it hot

[LL Cool J]
Schemin on the ass since the first day
[LeShaun]
Don't stop
Damn I love it when you talk like that
Make it bounce sugar
[LL Cool J]
Long as you can bounce me back
More flesh than the Greek Fest
[LeShaun]
Roll up the sess
[LL Cool J]
Pass the Hennessee
[LeShaun]
Put my body to the test
Wait wait daddy many niggaz ago
I was a young girl listening to how you flow
Now's my chance to hit you off daddy I'm grown
From the back, from the side
[LL Cool J]
Right, I'm in the zone
One of a kind when it's time to do mine
Camcorder and the whole shit
[LeShaun]
Press rewind
Let it flow on the screen while we puffs the L
Layin back in the cut while we're under the spell
[LL Cool J]
Word life, I like the way the ep went down
Go to sleep, tomorrow I'll take you back downtown
We'll be

Chorus (repeat 3X)
