[Chyna Whyte]

[Too \$hort]

I like them girls with that long, long hair

I like them girls that don't care if you a player

I like them girls that'll let ya feel they ass

At the club with her empty champagne glass

I like them girls that'll tell you what they think

Feelin' freaky after 2 or 3 drinks

I like them girls that be choosin' on a baller

Let you holler when she see you pop yo collar

I like them girls that don't like to have sex

Unless a player got a diamond Rolex

I like them girls that'll let ya move around

Catch a plane and meet a player outta town

I like them girls that like to stay up real late

Even though she gotta be at work at 8

I like to ride her like that 1980 Caddy

Real nasty cause she hate her baby daddy

I like them girls

[Jazzy Phe]

Some call 'em hoochies

Some call 'em breezies
