I could show you, do you want me to show you? Call it a
day or you can =
pay my way, gonna cry 'til I'm all cried out, I could show
you, I could =
easily show you. You may say I live on easy street, you
can think =
anything you want to think, come by some time my
door is open to you, =
where I can show you how easy I am. Everyone knows
I'd sell my sister =
for cigarettes, why shouldn't I? She'd do the same to
me, we could show =
you, we could easily show you, if you only knew you
wouldn't be so =
upset, what if she's in league with me? We can show
you, we can easily =
show you.
