Congratulations on your recent acquisition, the bunker
is convenient and =
easy to install, you've purchased the finest in home
fortification, the =
comfort will please you and heighten you're morale,
keenly concocted the =
barricade is comely, the entrance is impregnable and
ready for assault, =
safe in the knowledge you didn't waste your money, lie
back in your =
sanctum you are untouchable. Sterile heaven
hermetically sealed for your =
protection and increased yield. Sterile heaven 'cause
you're #1, =
equipped with ample insulation. Under surveillance
invaders are detected, =
external apparatus incarcerates them all. Flash
incinerated and lightly =
disinfected, the ashes are bundled and packed in a
vault, you're =
accomodations are acoustically defended you need
not hear the death =
cries we bring them to a halt, encapsulation is highly
recommended, in =
brocade or wood grain or neoclassical. Airtight and
quiet with total =
privacy just keep the filter clean, you've taken the
precaution, of =
utter isolation, you buy serenity, you've read the
warranty.
