You've got a great apartment and a real nice car  
The job you've always wanted, you're gonna go far  
You've got everything in this world  
But you've got the wrong girl

Everybody's lookin', cause she looks so hot  
You don't know it, but I know what you've got  
Go ahead and give it a whirl  
But you've got the wrong girl

CHORUS:

If you're lookin' for love  
You're lookin' too hard  
you can't see that what you need  
Is right in your back yard  
You were blinded by diamonds  
And you missed a pearl  
Yeah, you got the wrong girl

Does she like fishin', four wheelin' in the woods?  
Would she get her hands greasy up underneath a  
hood?  
I bet she never listens to Merle  
Yeah you've got the wrong girl

CHORUS

Yeah you've got the wrong girl...
