Just like a buzzin' fly I come into your life
Now I float away like honey in the sun
Was it right or wrong?
I couldn't sing that song anyway

Oh, but darlin', now I remember
How the sun shown down
And how it warmed your prayin' smile
When all the love was there

You're the one I talk about, you're the one I think about
Everywhere I go
But sometimes honey in the mornin'
Oh, I miss you so

That's how I know I found a home
That's how I know I found home

Oh, hear the mountains ringing
Lord, I can hear them singing, darling, out your name
And tell me if you know just how the river flows
Down to the sea

Now I wanna know
Mama, everything about you now
I wanna know
Mama, everything about you

What makes ya smile? What makes ya wild?
What makes ya love me this way
Mama, I wanna know
Darlin' I wanna know

You're the one I talk about, you're the one I think about
Everywhere I go
And sometimes honey in the mornin'
Oh, I miss you so
That's how I know I found a home
That's how I know I found a home

A walkin' hand in hand and all along the sand
Seabird knew your name now

I think he knows your love was growin' I think it knows
it's flowin'
Mama, through you and me

Ah, tell me darlin'
If I should leave you
Ah, tell me darlin'
I never want to grieve you

Just like a buzzin' fly I'll come into your life
And I'll float away like honey in the sun
Was it right or wrong?
I couldn't sing that song anyway

Oh, but darlin', now I remember
How the sun shown down
And how it warmed your prayin' smile
When all the love was there

You're the one I talk about, you're the one I think about
Everywhere I go
And sometimes honey, in the mornin'
Oh, I miss you so

Oh darlin', I miss you so
Hey mama I miss you so
I miss you so, yeah
Mama I miss you so
