You take the train from Yuma
Down to Mexicali
And by the crack of midnight
You've got that border town fever

Well, down at madam Woo's cafe
In back of she cat alley
Madam woos mix
Some Mexicali voodoo

Mexicali bella, bella voodoo
Americano don't you know what you do
Now three days later
In an elevator
Three days later
[Incomprehensible]met your maker

Mexicali bella, bella voodoo
Americano don't you know what you do

Americano [Incomprehensible]
