Into my arms as a stranger
They open wide just for you
I realize there's a danger
In finally falling for you

Tell me it's already over
Something I don't understand
'Cause I know that when it is over
I'm finally back in command

Call me the Wonder of Wonders
And I'll realize who you are
Tonight I will follow
My dreams for tomorrow
With eyes open wide
Here we are

Into the arms of illusion
I must be out of my mind
If there's an easy solution
It keeps getting harder to find

I know we ain't getting closer
And that's why I don't understand
You need for this to be over
And finally back in command

Call me the Wonder of Wonders
And I'll realize who you are
Tonight I will follow
My dreams for tomorrow
With eyes open wide
Here we are

Call me the Wonder of Wonders
And I'll realize who you are
What if I really don't feel like a star

Call me the Wonder of Wonders
And I'll realize what I miss
Tonight I will follow

My dreams for tomorrow
With eyes open wide
As it is
