Sloe Gin, sloe Gin
Tryin' to wash away the pain inside
Well I'm sick and I'm all done in
And I'm standing in the rain

And I feel like I'm gonna cry
I'm so fucking lonely
And I ain't even high
I'm so fucking lonely

And I feel like I'm gonna die
Mayday, mayday I've been shot down
Over the stormy sea
Well I swear that I'm drifting away

Just can't get a grip on me
Well..I can't even try
I'm so fucking lonely
And I ain't even high

I hate to go home alone,
But what else is new?
I'm so fucking lonely
I hate to go home alone,

But what else is new?
I'm so fucking lonely
I'm so fucking lonely
You stand and bleeding people pass you by

Don't matter if you live
Don't matter if you die
Sloe Gin, sloe Gin
Tryin' to wash away the pain inside

Well I'm sick and I'm all done in
And I'm standing in the rain
And I fell like I'm gonna cry
I'm so fucking lonely

And I ain't even high

IÂ´m so fucking lonely...
