Mmm... sludge...
Mmm... filth!
Aah!.. fumes...
Oooh.. cack!
Oil and grime... poison sludge
Diesel clouds and noxious muck
Slime beneath me... slime up above
Ooh you'll love my (ah-ah-ah) toxic love

Toxic love

I see the world and all the creatures in it
I suck 'em dry and spit 'em out like spinach
I feel the power - it's growing by the minute
And pretty soon you're gonna see me wallow in it
I feel good - a special kind of horny
Flowers and trees depress and frankly bore me
I think I'll spew them all with cyanide saline
Pour me a puke cocktail and take me to the driver!

Filthy brown acid rain
Pouring down like egg chow mein
All that's foul - all that's stained
Breeding in my toxic brain

And after dinner I could go for something sweet
REVENGE! for all those years locked in a tree!
I'll crush and grind all creatures great and small
And put up parking lots and shiny shopping malls
'Cause greedy human beings will always lend a hand
With the destruction of this worthless jungle land
And what a beautiful machine they have provided
To slice a path of doom with my foul breath to guide it

Hit me one time!
Hit me twice!
Aaah - that's rather nice!

Oil and grime...poison sludge
Diesel clouds and noxious muck
Slime beneath me...slime up above
Ooh you'll love my (ah-ah-ah) toxic love.
