I dig you, you dig me, we went as far as we felt like
going
Took a ride, satisfied, we went as far as we felt like
going
Had no restrictions, stop or go, just killing time and
took it slow
It was completely understood, a one-night-stand would
do us good
We did our mmm mama ma mama ma
Mmm mama ma mama ma

We went as far as we felt like going
We went as far as we felt like...

Getting it on all night long, we went as far as we felt
like going
Had a rap, took a nap, we went as far as we felt like
going
The morning came and woke us up, another kiss,
another cup
You said to call you up sometime when I got yayas on
my mind
Mmm mama ma mama ma, mmm mama ma mama ma

We went as far as we felt like going
We went as far as we felt like...

(Trumpet solo)

Mmm mama ma mama ma, mmm mama ma mama ma
Mmm mama ma mama ma, mmm mama ma mama ma
Mmm mama ma mama ma, mmm mama ma mama ma
Mmm mama ma mama ma, mmm mama ma mama ma
Mmm mama ma mama ma, mmm mama ma mama ma
Mmm mama ma mama ma, mmm mama ma mama ma
