What we gonna do right here is go back (go back)  
Way back (way back)- back into time (into time)

Chorus:

Phil Collins:

I can feel it coming in the air tonight  
Oh Lord  
And I've been waiting for this moment  
For all my life  
Oh Lord, Oh Lord

Lil' Kim:

Keep stealing the shine  
Killing the rhyme  
The Queen stay poppin' the wine and cockin' the nine  
For those who think they stoppin' my doe  
Wanna copy my show, wha  
I'm switchin' my flow, can't take it no mo'  
Oh you think I'm playin' around  
I'm layin ya down  
Album drop, new millenium shuttin' it down  
Better off givin' it up, I'm rippin' it up  
Spendin' money, livin' it up, not giving a fuck

Hotter than toast, Runnin' the coast  
Makin' niggas catch the Holy Ghost  
I'm realer than most, wha  
The trendsetter, the Brooklyn repper  
You know the routine  
Smoke you like a cigarette-r  
You've been out in a bit  
Y'all still talkin' shit  
Ain't that a bitch?  
What part of the game was this?

Lil' Kim singing:

Millions I'm holdin'  
Drop tops rollin'  
Diamonds on my neck  
And Bentley ballin'  
Me and my niggas gettin' high all day

Straight to the top, cuz we on our way

Comin' for y'all, comin' for y'all  
That's right I got something for y'all  
Something for y'all, wha  
God bless me, look at all I've been through  
It's my time, I can feel it, can't you?

Chorus:

Phil Collins:

I can feel it coming in the air tonight  
Oh Lord  
And I've been waiting for this moment  
For all my life  
Oh Lord, Oh Lord

Can you feel it coming in the air tonight?  
Oh Lord, Oh Lord

Phil Collins:

Well I remember..

Lil' Kim:

...back when it used to be the eighties  
Said the world gon' end in 2000 (that's crazy)  
I'm the only thing to fear  
For the new year  
New year, and if BIG was here (woo)  
Get the fans, we the ones to talk  
We die real on the streets  
So watch where you walk  
And you can find me, usually  
Talkin' dirty to a cat thugged out  
Or even kinda nerdy  
Lil' Kim, Lil' Cease and JM  
Taking over like a plague on a town  
All y'all can do is pray and watch it go down  
Like when the ball drop  
My fam's all I got, we keep it gangsta

Comin' for y'all, comin' for y'all  
That's right I got something for y'all  
Something for y'all, wha  
God bless me, look at all I've been through  
It's my time, I can feel it, can't you?

Phil Collins

Well, if you told me, you were drowning  
I would not a lend a hand  
I've seen your face before my friend  
But I don't know if you know who I am  
Well I was there and I saw what you did  
Saw it with my own two eyes  
So you can wipe off that grin  
I know where you've been  
It's all been a pack of lies

Phil Collins:

I can feel it coming in the air tonight  
Oh Lord  
And I've been waiting for this moment  
For all my life  
Oh Lord, Oh Lord

I can feel it coming in the air tonight  
Oh Lord  
And I've been waiting for this moment  
All my life  
Oh Lord, Oh Lord

Clark Kent:
