Missy]

Yes

You have just entered

The year 2000

And they've just arrived

Ready to take us outer space

To another planet

Where there's only one club

And one disco, ooh

And they wanna show us how

Heh heh, they boogie, uhh

[Lil' Mo]

Got a strange call from a girl

In the midst of the night, uh huh

She said you better call your man

Cause he sleepin' right here tonight

So I put on my coat

And my hat and then put on my shoes, yeah yeah

I said bitch don't you move

Cause I'll be seeing you soon

It only took me

[Chorus]

In five minutes, I was knockin' at the door

In two minutes, I had her on the floor

In one minute, I was fightin' wit' my man

Yes I did it, and I told his tail to scram

In five minutes, I was knockin' at the door

In two minutes, I had her on the floor

In one minute, I was fightin' wit' my man

Yes I did it, and I told his tail to scram

[Lil' Mo]

Saw a few scratches on my car

Just the other day, yeah yeah yeah

Neighbor around my way

Said she saw you drivin' away

So I put two together

And I found myself ready to go, whoa whoa  
Before she even knew it  
I was comin' down the road  
It only took me

[Chorus]

In five minutes, I was knockin' at the door  
In two minutes, I had her on the floor  
In one minute, I was fightin' wit' my man  
Yes I did it, and I told his tail to scram

In five minutes, I was knockin' at the door  
In two minutes, I had her on the floor  
In one minute, I was fightin' wit' my man  
Yes I did it, and I told his tail to scram

[Bridge]

Be a hoe  
I'm kickin' you up out the door  
I hope you know  
Like Coolio, you gotta go  
Don't even think  
I'm gonna let you hang around  
Got your drawz down  
Lookin' stupid like a clown

Be a hoe  
I'm kickin' you up out the door  
I hope you know  
Like Coolio, you gotta go  
Don't even think  
I'm gonna let you hang around  
Got your drawz down  
Lookin' stupid like a clown

[Chorus]

In five minutes, I was knockin' at the door  
In two minutes, I had her on the floor  
In one minute, I was fightin' wit' my man  
Yes I did it, and I told his tail to scram

In five minutes, I was knockin' at the door  
In two minutes, I had her on the floor  
In one minute, I was fightin' wit' my man  
Yes I did it, and I told his tail to scram

In five minutes, I was knockin' at the door  
In two minutes, I had her on the floor

In one minute, I was fightin' wit' my man  
Yes I did it, and I told his tail to scram

In five minutes, I was knockin' at the door  
In two minutes, I had her on the floor  
In one minute, I was fightin' wit' my man  
Yes I did it, and I told his tail to scram

[Missy]  
Freaky freaky  
Freaky freaky  
Yes, eh heh  
It's the year 2000  
And they will be back  
To take us to outer space  
To their planet  
Where there's only one club  
Where there's only one disco  
And you know what they wanna show us  
Ooh, you know what they wanna show us  
How they boogie (yo, yo, yo)

[Lil' Mo]  
Yo, don't know what they told you, but  
They done told you wrong  
Bet I go back and tell 'em again  
And make sure you here it all  
Don't come up in my Mellinium talkin' bout  
Girl, this my song  
If you don't know how to bounce to this  
Then try to play it off  
It's just like a movie, everybody wanna see  
In the 2 G, how she dress like me  
They say "Who's she?", she's fly as can be  
Got a groupie, off a hoochie  
I got lucci, mad cheese in the bank  
And my crew be, straight flossin' wit' me  
Even Hootie, wanna Blow like me  
Heard he wanna be a Lil' mo like me, what

[Missy]  
Uh, uh uh uh, uh uh uh  
Check it out now, uh uh uh, uh uh uh uh  
Break it down now, uh uh uh, uh uh uh uh  
Ah heh he
