[Verse 1:]

Maybe I am foolishly in love with
Someone that is...
Not exactly on the same page, that I am on
Well all my friends keep telling me stop
Walking round so blindly
But when he calls they're not around
To ever remind me

[Hook:]

Maybe this isn't love, but if it isn't love then really what
is love
Maybe I will never really know what's love
Cause when he's around he's got me feeling some
kinda way
Maybe this isn't love, but if it isn't love then really what
is love
Maybe I don't need to know what's really love
Cause when he's around he's got me feeling some
kinda way

[Verse 2:]

I guess I kind of notice he don't always act so kindly
But that doesn't stop my hunger, hunger for his heart
Why should I listen to those, who think that I should
move on
Maybe what they see as drama, I see more as art

[Hook]

[Bridge:]

Cant seem to get past how he makes me feel
May not be love but it feels so real
Can't go with what they say must follow my heart
But now is that even being true to me
Maybe I'm happy, truly content
Maybe this is as good as it gets

Do I have faith in my confidence
Or am I just thinking all hopelessly

[Hook]
