"At Your Name"

At Your name, mountains shake and crumble
At Your name, the oceans roll and tumble
At Your name, angels will bow
The earth will rejoice, Your people cry out

Lord of all the earth we'll shout Your name, shout Your name
Filling up the skies with endless praise, endless praise
YAHWEH, YAHWEH, We love to shout Your name, O Lord

At Your name, the morning breaks in glory
At Your name, creation sings Your story
At Your name, angels will bow
The earth will rejoice, Your people cry out

Lord of all the earth we'll shout Your name, shout Your name
Filling up the skies with endless praise, endless praise
YAHWEH! YAHWEH! We love to shout Your name, O Lord
X2

We love to shout Your name, O Lord

At Your name, angels will bow
The earth will rejoice, Your people cry out

Forever I will love You
Always I will love You
Forever I will love You
You have won my heart

I will sing for You
