I've had questions, without answers
I've known sorrow, I have known pain
But there's one thing, that I'll cling to
You are faithful, Jesus You're true

When hope is lost, I'll call You Saviour
When pain surrounds, I'll call You Healer
When silence falls, You'll be the song within my heart

In the lone hour, of my sorrow
Through the darkest night of my soul
You surround me, and sustain me
My defender, forever more

When hope is lost, I'll call You Saviour
When pain surrounds, I'll call You Healer
When silence falls, You'll be the song within my heart

I will praise You, I will praise You
When the tears fall, still I will sing to You
I will praise You, Jesus praise You
Through the suffering still I will sing

When hope is lost, I'll call You Saviour
When pain surrounds, I'll call You Healer
When silence falls, You'll be the song within my heart

I've had questions, without answers
I've known sorrow, I have known pain
But there's one thing, that I'll cling to
You are faithful, Jesus You're true

When hope is lost, I'll call You Saviour
When pain surrounds, I'll call You Healer
When silence falls, You'll be the song within my heart

I will praise You, I will praise You
When the tears fall, still I will sing to You
I will praise You, Jesus praise You
Through the suffering still I will sing X2

When hope is lost, I'll call You Saviour

When pain surrounds, I'll call You Healer
When silence falls, You'll be the song within my heart
