Love shine through
All the pain I feel
In my darkest hour
I am weak but You are strong
Holding on
Don't let me go

In Your light I will follow
Christ within me shine x2

Chorus
And here I stand
Everything is Yours Lord
All I am
Humbled by Your love
Take Your place
Jesus be the centre
I'm nothing without You

God shine through
Every hope and prayer
And my heart it aches
To be one with you my Lord
Wake my soul
Let Your kingdom come

In Your light I will follow
Christ within me shine x2

Chorus

Cause Your face to shine upon us
Lord arise and shine x2

Let it shine x5
(Let it shine let it shine...)

Chorus x2

God shine through, Lord shine through, may Your love
shine through

(Let it shine Let it shine...)
