Jesus, You are here with us
Our hearts are being stirred
Spirit intercede for us
With groans too deep for words

And teach us how to pray
Could we be a prayerful people?
Shake us up today, Lord

We're calling out on our knees
Desperate Lord, for You to be
In our cities, in our streets
Lifted high for all to see
We won't stay silent anymore
We won't stay silent anymore

Holy Father, hear our cry
We're knocking on Your door
Help us Lord to persevere
You know we long for more

Teach us how to pray
Could we be a prayerful people?
Shake us up today, Lord

We're calling out on our knees
Desperate Lord, for You to be
In our cities, in our streets
Lifted high for all to see
We won't stay silent anymore
We won't stay silent anymore

Oh, oh, won't stay silent
Won't stay silent
Oh, oh, won't stay silent
Won't stay silent

Oh, oh, we won't stay silent
Won't stay silent
Oh, oh, we won't stay silent

We're calling out on our knees

Desperate Lord, for You to be
In our cities, in our streets
Lifted high for all to see

We're calling out on our knees
Desperate Lord, for You to be
In our cities, in our streets
Lifted high for all to see

We won't stay silent anymore
We won't stay silent anymore
We won't stay silent anymore
We won't stay silent anymore
