Note: This song has two titles [When The Tears Fall and I've Had Questions]

I've had questions without answers
I've known sorrow, I have known pain
But there's one thing that I cling to
You are faithful, Jesus You're true
When hope is lost
I call You Saviour
When pain surrounds
I call You Healer
When silence falls
You'll be the song within my heart
In the lone hour of my sorrow
Through the darkest night of my soul
You surround me, You sustain me
My defender for ever more
When hope is lost
I call You Saviour
When pain surrounds
I call You Healer
When silence falls
You'll be the song within my heart
And I will praise You
I will Praise You
When the tears fall
Still I will sing to You
I will praise You
Jesus praise You
Through the suffering
Still I will sing to You
When hope is lost
I call You Saviour
When pain surrounds
I call You Healer
When silence falls
You'll be the song within my heart
I will praise You
I will praise You
When the tears fall
Still I will sing to you
I will praise You
Jesus I will praise You

Through the suffering
Still I will sing to you
When the laughter fails to comfort
When my heart aches, Lord You'll be there
When confusion is all around me
And the darkness is my closest friend
Still I'll praise You
Jesus praise You
