Words and music by John Kay, Michael Palmer, Steven Palmer

You've had your fun, you've had your fun
You've had your fun, you've had your fun
Now I know that you've had your fun it's no surprise
Yeah I know that you've had your fun it's in your eyes

Layin' back smiling like a reptile, I can tell
Baby you've been living on your own

You're number one, you're number one
You're number one, you're number one
Now I know that you're number one you showed me
why
Yeah I know that you're number one you satisfy

Layin' back thinkin' 'bout another way to love you
Makin' it feel like it should
