U hook me up, U shook me up ,And u broke me off
Now I give my love 2 no one else, U get it all

(Boy you're always on my mind)
Everday, Every kiss, Every time I see u boy, I want u
more
(I think about u all the time)
Until the end of time, It's u and I All day and nite

Chorus:
All day and nite I wanna just spend my time with u
(Spend my time with u)
U serve me right, in a way nobody else can do
(Nobody else can do)
