I swore I'd never get involved
Said I'd never ever fall in love
'Cause it hurt me once before
Would it hurt me anymore
Since then times have changed, it's different now
Hypnotized by you and wondered how
I fell into your arms
And I was captured by your charms, and

HOOK:

Here I go... falling in love again
(falling in love again, falling in love again)
Here I go... falling in love again
(falling in love again, falling in love again)

Lost and scared as I can be
Can't help thinking of the mystery
That I shared with me first love
Like a pair of mismatched gloves
and do you find your way into my world
Touched the woman deep inside the girl
Can you tell me if it's real
I've forgotten how to feel

HOOK

BRIDGE:

Here I go, falling in love again
The damage is already done
How can I ever turn my back on loving you
Here I go, giving my all again
I'm ready to show what I feel
So if you will take this love into your heart

And do you find your way into my world
Touched the woman deep inside the girl
Can you tell me if it's real
I've forgotten how to feel

BRIDGE

OH
Here I go... (falling in love again)
I'm giving my heart again
Seems like a battle I just can't win
Here I go... (falling in love again)
OH I'm in love and I can't win
I'll be with you through thick and thin
Here I go... (falling in love again)
I'm falling in love again, i'm falling in love again
I'm falling in love again
Here I go... (falling in love again)
Here I go, here I go
Catch me I'm falling
Here I go...
I'm lost without your love
Here I go
