It was the year I rediscovered hate nor it hate that
rediscovered me?
I wanted to live in peace but 2003 wouldn't let that be
I was the year that hell came to live with me
And misery was a frequent visitor
It was the time that felt like eternity
And finally it's coming to a close 2003

I'm so glad when you're gone
I can't wait for to be over
I'll be so glad when you're gone
I can't wait for it to be over

Justice took a holiday that year
Depressed was the most positive feeling I had
In 2003, 2003

I'm so glad when you're gone
I can't wait for to be over
I'll be so glad when you're gone
I just can't wait for it to be over
2003
