I want a rock princess  
A girl with a guitar  
And I don't really if we can go far  
I want a pretty little notion I'll love her in the morning

I want a rock princess  
I want a girl with a guitar  
It doesn't really matter if we can't go far  
I want a pretty little notion that I'll love her in the morning

I want a rock princess  
A girl with a guitar  
I want a pretty little notion that she'll go far  
It doesn't matter if she won't hang around  
Cos I'll find another  
I want a rock princess  
I want a rock princess

I want a girl with a guitar to call mine  
She ain't gonna love me  
so I won't pretend  
I want a pretty little notion  
that maybe it's love  
but in the morning we could still be friends

Oh oh ah oh oh ah  
I want a rock princess  
I want a girl with a guitar  
I'll give you all my money  
and I'll pray we'll go far  
I wanna hit the road  
and we won't come back  
I'll tell her I love her even if I don't  
I said a pretty little notion that we'll get far  
but it doesn't really matter, we don't care  
in the morning we could just be friends  
but tonight I'll show you my tricks  
A pretty little notion that you'll love me in the morning  
It doesn't matter if she pleases me oh no  
oh oh oh

I want a rock princess  
I want a girl with a guitar  
A pretty little notion that we could go far  
I'll love her in the morning or maybe I won't  
we could still be friends
