If I can't have you I'm going to retire from life and
become a full time grouch
I'll live in a silver trash can and I'll call your name and
moan about why I didn't win your heart and I shoulda
won your heart
And I loved you much more than nobody else could
ever love you more

A grouch, oh oh, I'll become a grouch if I can't have you
That's what I'll do
A full time grouch and I'll moan about everything that
sucks in this world because without you there's no
meaning to anything
I might as well just become a professional grouch and
live in a trash can and do nothing but moan

If I can't have you I'm going to embark on a career as a
professional grouch
And I'll live in my silver trash can I'll moan about the
world and how it sucks without you
And then oh you shouldn't be with anyone else

Oh if I can't have you I'm just going to become a
professional grouch
I'll live in my silver trash can and I'll moan about how
the world sucks without you
It's true
I can't think of a good reason not to be with you cos you
are the only thing good in this world

Oh I'll become a grouch if I don't get you in the end
oh oh oh oh
The whole world would be wrong
oh oh oh oh oh oh
I'm going to become a professional grouch if I don't
win you round in the end
cos the world just sucks without you by my side
There is nothing more I love just you.
