It's been a long dusty road
I would have been all alone if it weren't for you
When turned round you were by my side ready to
comfort me
when I was crumbling down

When I felt like hell you were holding me up
You wouldn't let me fall to the ground
You kept me strong and told me not to give up
Believe I did you kept me going on

Oh I would have been lost without you
Oh so lost without you

Thank-you for being a friend I really needed somebody
back then
Thank-you for being a friend you made a difference I
appreciate it

When everybody judged me by the gossip they heard
you were busy listening to music and dancing with me
It meant a lot to have somebody who cared cos nobody
else seemed to care about me

Oh I would have been lost without you
Oh so lost without you

Thank-you for being a friend I really needed somebody
back then
Thank-you for being a friend you really made a
difference I appreciate it
