You said that I was drama queen
afraid of the quiet life
You said I could never be seen tripping on a natural
high
but I'm happy when you're out of my sight
yeah I'm happy when you're not on mind

This girl wants to live
This girl wants to ride
This girl wants to enjoy life on a natural high
This girl wants to live
This girl wants to ride
This girl wants to enjoy life on a natural high
on a natural high

You said my behaviour was outta line
You said I act like I'm out my mind
You ask what pills I am taking and
I reply

This girl wants to live
This girl wants to ride
This girl wants to enjoy life
This girl wants to live
This girl wants to ride
This girl wants to enjoy life on a natural high
on a natural high, high

This girl wants to live
This girl wants to ride
This girl wants to enjoy life on a natural high
on a natural high, high
on a natural high, high high
on a natural high, high high
