So I take a deep breath and say a silent prayer
A silent prayer for all your love
I say a silent prayer for all your love

I don't wanna lose you
Crying out loud
I don't wanna lose you
crying out loud
I don't wanna lose you

It's a whisper in the wind that tells me to hold on
A little piece of faith when all hope is gone
A stranger stops cos they notice the tears in your eyes

I don't wanna lose you babe
I don't wanna lose ya
I don't wanna lose you
I don't wanna lose you
I'm begging, baby, begging please stay
I don't wanna lose you
I don't wanna lose you
Please stay
I don't wanna lose you
I don't wanna lose you
Please
I don't wanna, I don't wanna lose you
