You were never once ignored  
All your questions were answered  
Never had the time to see you face to face so I wrote  
them all in songs  
Hundred of songs  
You've never taken the time to hear  
You've listened but you've not heard  
Cause you do not listen with your ears

Oh a songwriter should know  
You listen with your heart  
You listen with your soul  
Oh my love, it's written in the songs  
Hundreds of songs  
Hundreds of songs

Oh you should know  
Oh you should know  
You don't listen with your ears  
A songwriter should know  
You listen with your soul  
You listen with your heart  
You listen with your soul  
You listen with your heart  
Hundreds of songs  
Hundreds of songs  
All declaring your beauty and my love  
Hundreds of songs  
Verse upon verse  
Ain't my fault if you listen but never heard

Cause you don't listen with your ears  
A songwriter should know you listen with your soul  
Listen with your heart  
Listen with your soul  
Listen with your heart  
Listen to it all  
Oh you should know  
Hundreds of songs  
Hundreds of songs  
A songwriter's war
