Sometimes it works just perfect  
First glance and it fits just right  
Sometimes it's like a spark of electric  
It's all you need in order to feel alive

It's a spark, a spark of electric  
It's a spark, the flutter of your heart  
It's a spark, a spark of electric  
It's a spark, the flutter of your heart

It's the code to the universe written on your skin  
It's the instruction manual you prayed for for life  
It's a new start if that is what you require  
It's a spark to fix your broken heart

It's a spark, spark of electric  
It's a spark, it's the flutter of your heart  
It's a spark, spark of electric  
It's a spark, it's the flutter of your heart  
It's a spark, a spark of electric  
It's a spark, the flutter of your heart  
It's a spark, spark of electric  
It's a spark, the flutter of your heart

It's a spark, spark of electric  
It's a spark, a spark of electric  
It's a spark, a spark of electric  
It's a spark

It's a spark, spark of electric  
It's a spark, it's the flutter of your heart  
It's a spark, spark of electric  
It's a spark, the flutter of your heart  
It's a spark, spark of electric  
It's a spark, spark of electric  
It's a spark, spark of electric  
It's a spark, the flutter of your heart

It's a spark, a spark of electric  
It's a spark, flutter of your heart  
It's a spark, a spark of electric

It's a spark
