I remember you from years ago  
All dressed in black and all on your own  
In the darkest alleys in this small city  
In the darkest alleys searching for me  
You were searching for me

I don't know why I fell in love with a vampire like you  
I don't know why I fell in love with a vampire like you  
A vampire like you  
Why I'd fall in love with a creature so cold so cold so  
cruel

You don't want anyone to recognise you unlike how you  
live the rest of the time  
You don't want anyone to know your real name  
It is all illusions and alibis

And I don't know what made me fall in love with a  
vampire like you  
And I don't know what made me fall in love with a  
vampire like you  
A vampire like you  
A vampire like you
