Came to tell me about a girl called Alex
I already knew about her
You know they say I look like her but I'm the original
I was here first, I was your first love
At least your first real love
And I know those songs are about me, I recognise that

Oh a girl called Alex
And yeah I sent you back to her, didn't it?
I didn't want you on those terms

Cos it's absolute or nothing
Absolute or nothing
It's absolute or nothing
That is my terms

It's absolute love or I don't want your love
It's absolute love or I don't want that love
It's absolute love or I don't want that love
It's Absolute or nothing
Absolute or nothing
Absolute or nothing
That is my terms

You've never been able to deliver
It's your biggest failure
And you don't like failing so I've always expected you'd
get it right one day

One day, ah and that is why I've waited for you so long
One day, I expect that
Absolute or nothing
Absolute or nothing
Absolute or nothing
That is the terms of my love

Absolute or nothing
Absolute or nothing
Absolute or nothing
That's the terms of my love
Can you deliver?
