I sat in the back of your black cab  
And thought about going AWOL from one of my own  
shows  
I had had some bad news that day  
I knew my bestfriend wasn't going to make it  
She wasn't going to make it

I sat in the back of your black cab and thought about  
going AWOL  
from one of my own shows, from one of my own shows  
I almost said hey driver is there anywhere you would  
like to go to?  
Then drive on, then drive on

Cos f#ck it I'm not making any money today  
Cos my heart's not in it  
My heart is terminally ill  
F#ck it I'm not making any money today  
F#ck it I don't wanna pretend  
I don't want walk onstage and pretend I'm okay

I'm not making any money today  
I'm not making any money today  
Not making any money today  
I'm not making any money today  
I was almost AWOL with you  
I was almost AWOL with you  
I was almost AWOL with you  
I was almost AWOL with you but only if you wanted to

Oh f#ck it I'm not making any money today and who  
wants to rich anyway?  
Oh f#ck it I'm not making any money today and who  
wants to rich anyway?  
Oh f#ck it I'm not making any money today but I don't  
want to be rich so that's okay

Oh I recognised your distinct tattoo  
Please don't think I didn't know it was you cos I did  
I thought I had lost my mind  
Thought I had hallucinated you cos I wanted to see you

Cos you were the one thing that I wanted to see in that  
exact moment in time and I didn't think I was that lucky  
You were the one thing that I wanted to see in that  
exact moment in time  
You were the one thing I needed

Almost AWOL with you  
I was almost AWOL with you  
Oh I was almost AWOL with you  
I was almost AWOL with you but only if you wanted to  
Almost AWOL with you  
I would have ran away right there and then with you  
Almost AWOL
