She feels so lost like she don't fit in  
She never found anywhere she belongs  
She spent her whole life searching  
but she don't know what she's searching for

It'll be alright  
It'll work just fine  
It'll be alright  
It'll work just fine

It'll be alright  
It'll be alright  
It'll be alright  
It'll be alright

He lost the only one he loves  
He said he could never love another  
She is the only one he wants  
but she's in love with somebody else

It'll be alright  
It'll work just fine  
It'll be alright  
It'll work just fine

It'll be alright  
It'll be alright  
It'll be alright  
It'll be alright

It'll be okay  
It'll work out in the end  
It'll be alright  
It'll work out in the end

It'll be alright  
It'll be alright  
It'll be alright  
It'll be alright  
it'll work out alright baby wait and see  
it'll work out just fine you wait and see
