Learning to let go
Learning to walk all alone
These crowded Glasgow streets seem so lonely to me
Cool October air
Whispering reminding you're no longer there
Oh I know, you're safe in her arms
Still it is so hard to let you go

When I'm always missing you
Always dreaming of you
Always thinking of you
Always missing you

They say, time heals
but everyday stings a little more
No I cannot walk in your shoes
the burden I walk with is equal to yours
Yeah I know what's like to cry yourself to sleep
I've cried every single night since I set eyes on you

Always missing you
Always dreaming of you
Always thinking of you
Always missing you
Always missing you
Always missing you
