I thought that I could get through this
Thought that I could resist the temptation
Thought that I was strong enough to let it go
I said I wanted you to leave

It's as strange as fiction real life
Some would say stranger and crueler that times

So now I'm acting like a fool
Tempers high, and insults flying
Done all I promised not to do
And said some things I didn't mean to

It's as strange as fiction real life
Some would say stranger and crueler that times

So now I'm crying over you
Another thing I said I'd never do
I never missed you until you were gone
I always want what I cannot have

It's as strange as fiction real life
Some would say stranger and crueler that times
It's as strange as fiction real life
Some would say stranger and crueler that times
