Don't worry if it don't work out
Better luck next time
At least you learned what you want
Don't worry if you are let down
better luck next time
better luck next time

better luck in the next life
If you don't get it right
better luck next time
better luck next time
better luck

I hope your dreams come true
I hope you find the right one next time
better luck next time
better luck in the next life
better luck
better luck
better luck in the next life

take it easy
Oh I hope you'll have better luck in the next life
in the nex time
oh I wish you luck
better luck next time
better luck next time
oh oh oh
get it right next time
better luck
better luck next time
better luck
get it right next time
