Same old double standards
It's alright for you but not for me
I've got to be perfect, I've got to be flawless
I've got to not repeat your mistakes

You're my burning bridge
The one I won't let go of
No matter how the flames rage
I'm still holding on to you
You are my burning bridge
The one I won't let go of
No matter how this bridge burns
I still keep holding on

Waiting for you to make one gesture
Instead of making and breaking so easily
It wouldn't take much
It wouldn't take much
Oh it wouldn't take much
No it wouldn't take much

You are my burning bridge
I will not let you go
No matter how the flames rage
I'm still holding on
You are my burning bridge
I will not let you go
No matter how these flames rage
I'm still holding on

And I'm getting burned
I'm getting hurt
I'm getting burned
I'm getting hurt

You are my burning bridge
I will not give you up
No matter how the flames rage
I'm still holding on
You are my burning bridge
I will not give you up

No matter how these flames rage
I'm still holding on

It wouldn't take much
It wouldn't take much
It wouldn't take much
No it wouldn't take much

Oh we could save this
Oh we could save ourselves
Oh we could save this love
Oh we could save ourselves

And I'm holding on to this burning bridge
Oh I'm holding on, holding on
holding on, holding on
