Oh one day I hope you realize that I'm your true love
I hope you call me sometime
Call me
Oh I hope one day you realize you were wrong about
me
Yeah Yeah Yeah

You can call me anytime you please
You can call me anytime you please
You can call me anytime you please
You can call me anytime
Anytime
Anytime

Oh You can call me
You can call me anytime
Anytime
Call Me
You can call me anytime
Anytime
Just call me

Cos I knew that I wanted you
Yeah I've known for years
Just waiting on you to change your mind

You can call me anytime
You can call me anytime you like
You can call me anytime
You can call me any night you like
You can call me
Oh Oh Oh Oh

You can call me anytime you like
You can call me
Oh call me anytime
You can call me anytime you like
You can call me anytime
You can call me any night you like
You can call me day or night
You can call me anytime you like

You should call me any day you like

When you're ready

When you're ready

Just call me anytime you like

Oh Call me any day you like

Oh Call me anytime you like
