All your friends say I'm trouble, I'll never come good  
but have you missed out all the parts in the story where  
you're being mean to me  
I really wonder about you sometimes  
it's like your twisted enjoying torturing me  
but it don't really matter cos it is going no further

I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need

but let's be honest the wedding is off  
oh let's be honest it was never really on

I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need

but I'm just not the marrying type, it's just not for me  
I'm just not the marrying type

I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need  
just call the wedding off, just call the wedding off

I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need  
I'll give you what you want, I'll give you what you need
