It's been ten years, ten years of this  
I loved you truly but you always disguised what you  
felt  
If it's true well baby let it show  
Don't go wasting no more time on the circus sideshow

When you come round are you just checking to see that  
I'm still here?  
That I survived your cruelty  
Just checking that I'm still alive. Just checking that I  
survived  
Just checking that I'm still alive. Just checking that I  
survived your cruelty

Are you gonna torture me some more or, or set me  
free?  
It seems like freedom is a rumour that I never see  
Cos I've been shackled to you for so long, tied up and  
it's all gone wrong  
Just checking in to see that I'm still alive  
Just checking that I survived your recent cruelty. Yeah  
I'm alive  
Yeah I'm alive  
Oh I survived, oh I'm alive  
Oh I survived, yeah I'm alive  
Oh I survived your cruelty  
Oh I survived your cruelty so you thought you would  
check back and see I'm still alive  
Oh I survived your cruelty  
Oh I survived your cruelty and so you thought you  
would check back that I'm still alive  
I'm alive  
I'm alive  
And I survived your cruelty, oh you wanted to see if I  
was still alive after all you've done to me  
I'm still holding on
