Dance the night away
Dance the night away
Dance the night away

Hey mister leave me all alone
Don't try none your lines on me
I just want to dance the night away
I just want to be left where I am
I said hey I'm happy as I am
I said I like it just this way
I said hey I'm happy as I am
I said leave me this way

I just wanna Dance the night away
I just wanna Dance the night away
I just wanna Dance the night away
I just wanna Dance the night away

My head is full of these ideas
lately none of them been clear
Please don't try to talk to me
Cos I don't have nothing to say to you

I just want to Dance the night away
I just want to Dance the night away
I just want to Dance the night away
I got nothing to say

I just wanna Dance the night away
I just wanna Dance my life away
I just wanna Dance the night away
so leave me alone
