"Dark And Deep"

You say I'm really deep but what do you mean?
You say I'm really dark that you don't understand me
Why am I oh so deep? I got no reason to be
Why am I oh so deep? I got no reason to be
So dark and deep
So dark and deep
So dark and deep
Oh so dark and oh so deep
So dark and so deep that I just can't see what you
mean to me
I'm so deep
I'm so dark
oh so dark

I'm so dark
oh so deep
So dark and so deep that I just can't see what you
mean to me
Cos I'm so dark and oh so deep
that I don't even know what it means to be this dark and
be this deep
that I can't even see how dark and deep I am
why am so deep?
dark and deep
dark and deep
