Sara I'm sorry I never text you back  
I said Sara I'm sorry I never phone you back  
I leave it days at a time before you even get a reply  
Sometimes never

Sara I'm sorry I can't lie  
You'd always be a second  
She's the one I want by my side  
Oh Sara I'm sorry but I don't think that's right on you

Sara I'm sorry I'm asking you to find someone who will  
love you forever  
and treat you right  
Somebody who replies instantly in a beat of a heart  
And never leaves you waiting

Sara I'm sorry but if the truth be told  
I will let you down  
Oh I won't be the one you will grow old with  
It breaks my heart to admit

Sara I'm sorry but you would always be second to her  
I would always be checking that she's not around  
Somehow I prayed she'd find me  
Sara I'm sorry but I won't reply  
I said Sara I'm sorry I'll leave you waiting all alone at  
that bar  
Oh it's kinder than turning up

Sara I'm sorry your love just would never be enough  
You would always be second to her  
And that's not right  
Find somebody who'll give you that split second reply
