Oh my love stranger things have come true
Don't give up on me yet
I will never really give up on you
All is not lost, I'm still with you
Walking in your shadow, holding on
I do believe I've tried whether it is right or wrong
Cried an ocean just to see you smile
Given all I've got to hold on one more mile

Oh my love don't give up, I said
Oh I said oh my love don't give up
I'll never be lost to you
I'll never be lost to you, Oh
I'll never be lost to you
I'll never be lost to you

And all through the years
you are my only constant
The one I always looked back for
My only regret in this world
Oh don't let me go

Oh my love I'd never be lost to you
Oh my love I'm always holding out for you
Oh my love I'd never be lost to you
yeah my love I'll always be waiting for you
Oh my love, I'd never be gone to you
I'd wait for you
