As the sea crash against in the rocks  
I focus in my thoughts  
dreaming of my love  
the love i have lost  
imagining I've got you in my arms  
swearing I'll never let you go  
when I open my eyes  
I awake to see you in somebody else's arms

I don't ever want to feel that way again  
I don't ever want to fall in love  
I don't ever want to feel that hurt  
I don't ever want to feel that way again

For my love was nothing but true  
and my heart was possessed by you  
but you tore my soul apart  
so I drowned my sorrow in the deep blue sea

I don't ever want to feel that way again  
I don't ever want to fall in love  
I don't ever want to feel that hurt  
I don't ever want to feel that way again

As the sea crash against the rocks  
I feel it whisper my name  
telling me what I already knew  
I'm never gonna feel that way again
