Feel the fire burn
we both tried to escape
the tide has turned
stand still or stand all on your own
be brave or be wrong
What do you want?
Is it love or fame?
Oh on the edge
I'm standing, I'm standing
I dreamt you would come
and save me again
I'm always alone but I'm alone
because nobody else comes close

Feel the fire burn
Is it love?
Is it love?
Feel the fire burn
Is it lust?
Is it lust?
Feel the fire burn cos I can't let go
Is it love or lust cause I can't let go?

Open your eyes and see only truths
lets walk far away
I don't want to lose you
I'm calling your name but your turning away
I'm calling your name
I'm calling your name

Feel the fire burn
Is it love or lust?
Feel the fire burn
I can't put out these flames
Feel the fire burn
Is it love or lust? Oh
Feel the fire burn
I can't put out these flames
I can't put out these flames
I can't put out these flames that you've caused

Feel the fire burn
Is it love or lust?
Oh Feel the fire burn
Is it love or lust?
I can't put out these flames
I can't put out these flames that you've caused
