You're bad news for my mental health
You're bad news for the physical me
You're bad news and I know it but something keeps
bringing you here
And I don't want to send you away but you never seem
to want to stay
And I just do know how much more I can take of this
running round and running away

Everytime a stranger stands behind me I wish it was
you
I wish it was you about to wrap your arms around me
And that's nothing but the truth

Wanna give you up
Wanna give you up but I can't help it
Oh I need you
Oh Oh if I only could give you up
Oh Oh if I only could give you up
Oh Oh if I only could give you up
Oh Oh if I only could give you up
Oh Oh if I only could give you up I'd be free, I'd be free
Oh Oh if I only could give you up I'd be free free free
Oh Oh if I only could give you up
Oh how I'd be so free
Oh Oh if I only could give you up
Oh Oh if I only could give you up
Oh oh oh oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh oh oh oh
Oh hell if I only could give you up
Oh yeah if I only could give you up
Oh well I wish I could give you up
Oh yeah if I only could give you up

Oh oh everytime somebody gets close I wish it were
you behind me
Wishing it were you about to wrap your arms around
me
If only I could give you up
If only I could give you up
Oh well if I only could

Oh well if I only could give you up
Yeah I'd be free if I give you up
Oh I'd be free if I give you up
Oh if only I could give you up
Oh if only I could give you up
Oh yeah if only I could give you up
Oh yeah if only I could give you up
Oh yeah if only I could give you up
Up up up up
Give you up up up
Give you up up up
Give you up up up
Give you up up up
If only I could give you up
Oh yeah
