Both growing up
Doing the one thing we said we'd never do
Finally both growing up
Find a way to express what we've been through
I don't want to let you go
When we both had known some changes needed to be
made
Some things had to get left on the way
We're both growing up the one thing we said we'd
never do
We're both growing up the one thing we said we'd
never do
It's gonna take some time to make the changes that
need to be made
Cause we're both growing up even though we said we'd
never see the day
We're both growing up
Oh we're both growing up
We're both growing up
We're both growing up

Time has come gonna do the things we put on reserve
Gotta finally grow up and build our own word
Gotta grow up finally grow up
One thing we said we'd never do
We're gonna do it for each other
Finally growing up oh building our own world
Oh Finally growing up oh building our own world
